

UNITED STATES BANKRUPTCY COURT
MIDDLE DISTRICT OF GEORGIA

ADMINISTRATIVE ORDER

FILED
U.S. Bankruptcy Court

JAN - 3 2005

Deputy Clerk
Macon, Georgia

In recognition of the high volume of Chapter 13 cases filed in this District and acknowledging that many of these cases require the same or very similar legal services to each debtor, the Court enters the following Administrative Order to promote the efficient management of applications for compensation by debtors' attorneys, to provide fair and equitable treatment of debtors and their attorneys, and to avoid undue additional financial burden on debtors. This Order is intended to establish certain procedures allowing payment of attorney's fees without separate fee applications and hearings in cases where the attorney and the debtor agree that the fee for representation in a Chapter 13 case will be less than \$1,501. Attorneys are prohibited from advising clients or the public that the Court requires any minimum or maximum fee be charged for a Chapter 13 case. This Order does **not** seek to set any fee in any Chapter 13 case, and it does not and is not intended to set any minimum or maximum fee in any Chapter 13 case filed in this District.

Attorneys representing debtors in Chapter 13 cases are required to represent the debtor in all matters relating to the case affecting the debtor's interests unless the attorney is permitted to withdraw by order of the Court. LBR 2091-1. For their services, attorneys are entitled to a reasonable fee, determined in accordance with ethical requirements of the State Bar of Georgia. Rule 1.5 Georgia Rules of

Professional Conduct. Pursuant to 11.U.S.C. § 329(b), the Court may require the return of excessive fees. Accordingly, it is hereby

ORDERED that, effective as to cases filed on or after January 1, 2005, an attorney for a Chapter 13 debtor or joint debtors ("**Debtor**") need not file an initial fee application if the fee sought to be paid is less than \$1,501 per case; provided, however, that:

(a) upon confirmation of a plan in the first distribution thereunder, the Chapter 13 Trustee ("**Trustee**") is authorized to disburse to the debtor's attorney an amount not to exceed the lesser of \$900 or six times the monthly plan payment (excluding any current house payment in the plan), less any attorney fee received prior to filing, such disbursement to be made from the proceeds available and paid into the office of Trustee by Debtor, or on Debtor's behalf, after deduction of any unpaid filing fees and payment of Trustee's fees and expenses;

(b) Trustee is authorized to disburse the balance of any such attorney fees under Debtor's plan in an amount not to exceed the lesser of \$100 or 40% of the monthly plan payment (excluding any current house payment in the plan), beginning in the month following the first Plan distribution set forth in (a) and continuing monthly until paid; and

(c) if no plan is confirmed and the case is dismissed or converted to a Chapter 7, unless otherwise ordered, Trustee is authorized to disburse to Debtor's

attorney compensation not to exceed the sum of \$500, less any sums previously received after deduction of any unpaid filing fees and payment of Trustee's fees and expenses; and it is

ORDERED that after the filing of a Chapter 13 case, the attorney for Debtor shall collect no compensation other than allowed by this Order without prior court approval based upon an appropriate application and order; and it is

ORDERED that nothing herein shall prohibit Debtor's attorney in any case from seeking compensation pursuant to the requirements of 11 U.S.C. §330; and it is

ORDERED that any fee allowed and paid in accordance with the procedures specified in this Order shall be interim in nature and, as such, subject to review, disallowance, and disgorgement, upon request of the Trustee or on the Court's own motion.

IT IS SO ORDERED, this 3rd day of January, 2005.

Robert F. Hershner, Jr.
Chief Judge
United States Bankruptcy Court

John T. Laney, III, Judge
United States Bankruptcy Court

James D. Walker, JR., Judge
